

# MX5 Required Decal Placement

All decals and emblems must be applied as specified in this document, and in PRR Article 3.4.1.

# MX5 Required Decal Placement

## Windshield Banner

The Series Sponsor's windshield banner must be displayed on the top portion of the windshield. The Windshield Banner and Driver's Name are the only decals permitted on the windshield.

## Driver's Name

Driver's last name shall appear in title case (upper case first letter, lower case others) on the lower right corner of windshield (as viewed from inside the car). The letters shall be Helvetica Bold, or like font, white in color and at least 3" tall. The driver's name shall also appear on the top of each door. Font and color on the door is open provided it contrasts with the paint scheme.

## Number Boards

One of the series supplied number boards will be placed on each side of the car, in front of the door as shown.

## SCCA Pro Racing Decals

Four Pro Racing decals shall be placed on the car. One decal shall be centered on the front fascia, above the Mazda emblem. Two decals shall be placed on the sides of the car, one on either side, at the front of the rocker panel. One decal shall be placed on the left side of the rear fascia.

## MX-5 Cup Series Decals

Each car shall have two decals, on both sides of the car, positioned on the rocker panels behind the SCCA Pro Racing decals.

## BFGoodrich Tires Decals

Two BFGoodrich Tires decals will be placed on each car, one on each front corner of the car. Logos will be aligned vertically with the MAZDASPEED logo, and will wrap around from the front to the side of the car.

## Pace American Decals

Each car shall have two decals, on both sides of the car, positioned on the rocker panels behind the MX-5 Cup Series decals.

## MAZDASPEED Decals

Each car shall have two 26 inch MAZDASPEED decals. One must be centered on the nose under the Mazda emblem, the other centered on the rear bumper.

## Mazda Decals

Two 22 inch Mazda decals shall be placed on the car, one on either side of the car, centered above the rear wheel arches.
