

Technical Bulletin for tires for the Playboy Mazda MX-5 Cup

The series dry tire for 2009 is the P225/45ZR17 84W g-Force R1, MSPN 09627.
Track pricing for the dry tire will be \$260 per tire, mounting included.

The series wet tire for 2009 is the 225/45ZR17 90Y g-Force T/A KDW, MSPN 67379.
Track pricing for the wet tire will be \$180 per tire, mounting included.

The scrap fee for used tires will be \$4.

All dry tires (R1) used in Playboy MX-5 Cup official event qualifying and race must be purchased from the official BFGoodrich Race Tire Distributor at the track. Tires will be marked by the technical manager prior to qualifying. A minimum of four (4) tires must be purchased for each car for every race and the set of tires used for qualifying and the race must be purchased at that race. Tires damaged in qualifying may be replaced with tires purchased and marked at the track, from the official BFGoodrich Race Tire Distributor.
