LOCAL RULES:

Participant Guidelines

- In 2009, Barber Motorsports Park will continue to monitor sound levels from a fixed location with 104 db being the maximum acceptable level. Anyone with a sound level above 104 dB will be asked to make adjustments to comply.
- NO unmuffled engines may be started before 8am, after 8pm, or during the mandatory daily quiet hour.
- Any and all fuel and/or oil spills in the paddock must be cleaned by User and disposed of in proper receptacles
- Vehicles may be serviced only on paved areas in the paddock
- No banners may be hung or attached to any facilities or structures unless prior approval is obtained from management.
- Waste oil, waste fuel, and/or waste coolant must be disposed of in proper waste drums – violators will be held accountable for fines and/or fees associated with improper disposal. Clean up fees on a cost plus basis.
- Any hazardous material (tires, batteries, fuel cans, etc...) must be removed from premises. Violators will be held responsible for all fines and/or fees associated with the removal of hazardous materials.
- Any fuel containers brought on site must be removed by user.
- Notices and other Event related information must be posted only on provided bulletin boards.
- Each participant must have 1 portable dry fire extinguisher with a minimum rating of 12 BC available and in good working order in their pit area
- No imbedding of brakes and/or testing vehicles on any surfaces other than the motor vehicle track
- Obey all posted Hot Pit rules
